

AQEEDAH 1 Jan 12 2011

KEY : S1 = The first part Shahadah = Lailaha Ilallah

6 condition (Sisters, I am unsure of this list 1-6 below. She said all what I wrote but the sequence ? )

1. ILM - K abt Allah

2. Sidq

3. Yaqeen - Thr Allah decree n nurture – u will hav YAQEEN

Then u will hav test

4. Kubut - U will accept Allah Law

5. Imqiyaat - Submission

Be4 u do GD,

6. Ikhlas- FAITH

This si a cycle – like a heart - AL MAHABBAH – centre of S1 (Lailaha ilallah) . Al mahabbah is the Love . al Mahabbah equal to all cond of S1. In life , we do GD but do not know why. Lov is impt cond of S1

Rasul said : the one who find sweetness of faith will hav love of allah in His Hrt. Islam does not hav only LAWS – bec then u cannnt rlate to it. Human hav mind n hrt – emoton. Quran – when u raed it. Allah teach u to lov Him sometimes logically n sometimes thro ur hrt (emotion) . u r human – u need lov . Soemtiems u feel bright n colorful . But some feel like hav no love . Islam take care of human , of emotion – need love . not just money . when assoc-n lov with sth discontinued , ur lov will decrease n u feel down . Soemtiems she change . , lov change – so u feel disappointed .

Lov impt but not associated to sth discontinued – wat constant ., strong, stable . Fill u with love AL HAYY HAYYUL QAYYUM . when u lov sth nvr doies , self sufficient, master, take care of you, juts pondering on his N&A like water in drought . Lov of ALLah thro His Names – like how he was so kind . hwo Alalh with His Atrbiyyah / nurturing u. Allah lov human – just know abt tarbiyaatullah n u feel His Ghaniy. What bat when u ponder on Univ n how Allah create everything around u for u . how Alah shower us with Blessings

Hadith “ Noone is more forbearing , more patient than allah” . Allah giv bounties n still we do bad – insult, wrshp other. Allah is the One who initiate ur craetn , He is the One you will meet in DOJ.

ILM – beginning of cycle of mahabbah

Beginning of cycle . If no ilm , not real love – no K abt allah, not real ilm. Their writing are all kufr bec their lov is not expressed in a w ay suit Allah. One lady - be4 sinned – after guided , without knowledge, she said I wrshp Alalh not bec of Hell or Jnh, but ..... and she said sth not suit to Allah .

When u lov, u will use best word to say abt Allah n is proper for Alalh . For Allah , lov is diff . COnd of s1 is equal is you need to lov S1.

Opposite : People do GD but no out of LOv !! but bec obligation . Shld motiv u to do more GD is lov. Lov is HEAD OF THE BRID – u r flying to Allah . If hrt no lov for Allah, no pt for wrship . Lov has levels – even for human , lov has degree . ARABIC language has a lot of words for love like – mahabbah , shaha , sababa – lov buy diff degrees .

Beginnig of lov for another human – u think of her/him . tehn u do this/ action bec she like it. – u do bec they happy with it. Then cannot control his feelings – travel far, stand to see her , talk for hours . then u cannot live without her ! Extreme ! Then last stage of love , it will reach inside of hrt n he will humiliate himself n will wrhsip her ! even if not sujud to her - this si highest degree of lov BUT do not allow this level of love ( worshipping) for other human . ( because wrship for allah only. ) .

Teenager – if they lov, they do too much . either they deviate n attach to other thing or attach to Allah . if u do nto feed them with lov of LALh , they w ill deviate – they hav the need .

SIGNS – if u hav it , u lov Allah . Examine our hrt -

1. 3Alaam al uula - Whatever Alalh lov of GD n what He commd, u will do it . Some delay what Allah command – there are degrees . See how fast u hasten to do what Allah wt. if I lov Allah too much, I will do it rt away . You r searching Allah commands – high degree of love .- If lov Allah too much . Alalh s ay do this . >>> first sign of love . Obligation is Islam – u do not always like all the practices that we must do. Eg hijab , loose clothes , etc . BUT after years, u lov to do that – u search what Alalh want u to do - more u wil do it . Even if I do not like it, I WILL DO IT bec I lov Allah. Allah will increase your huda . Nvr mind they say that u look old etc. YOU WILL DO IT. Worsd - but SIDQ will make you don't care bec Allah lov that . >> 1st sign u lov Allah. Surah Taubat/24 . If u lov Allah , u will be tested . esp with oblig which u like . eg u lov husband – if he command u to do sth Allah forbid . THIS IS TEST – u lov Allah more or husband more ?? Alalh make him pleased . Wrship even like mountain will feel easy n smoothly.

If I say S1 but do not foll then not lov Allah

2. Verse in Quran “ Al Imran/31 “ To follow the Rasulullah “ that mena u lov Rasulullah ie to do Sunnah . Scjolars say this ayat – there are people who claim they lov Allah , so allah reveal this ayat . “Say if u lov Allah , u need to foll rasulullah “ 2nd sign u lov Allah is u lov Rasulullah, his Sunnah , far fr what he forbade. Joined to Mahabbatillah . If u really lov someone , & she lov a sister – u will lov that frd too . Lov of rasulullah = bec Alalh tell us to lov hi m . Bec Allah commd u to ,lov him. People – thye say they lov Allah but refuse to foll Sunnah . THEir lov for Allah is low! Noone will hav full faith (full cond of S1) till I w ill be dearer than ur father n children . Umar said “I lov u more than my father n son , but not myself” Rasulullah say must lov Rasul more than self . The one who do nto wt to think of Sunnah – lov for Allah is questionalebe . hadith “There was a time Rasulullah sleep n angels talk betw themslevse. He is asleep. He euyes asleep but his hrt awake. We wt to give g in frt of us – like man build hs n he had a feast 9food). He sent Messngr to tell people to enter the hs to get the nice food . But people say no – they lose

entering nice hs n eat nice food. Rasulullah like that. Alalh build Paradise – all good , enjoymt here. He sent Mssngr , if foll Sunnah , will enter Paradise. If not , los eenterign Paradise . this s 2nd thing abt lov Alalh ie foll rasullulla Sunnah

3. Muwalat manwa alallah .... “ u lov whom Allah lov n who Allah say u lov in Quran (mukminin muhsinin shbh rasululah) – u lov whom Alalh tel to lov. Whom lov LAlah , u lov too. – rela with human “ . u know u really u ,ov Allah – auto u lov whom Allah lov ( fr Quran , Sunnah, - Allah love who, what deed, places, etc). u hav a charac which Allah loves ( an Hul (tolerant) & al anad (not hasty) ) - Allah lov this charac . for u , u wt to behave like that . I wt to do it bec I lov Allah. My nature is like this – do not make it like it is ur nature BUT u r like that bec u lov Allah – for reward from Allah. bets pl Allah lov is masjid – Mecca Medina – rasul , shbh, mukmin – YOU LOV THESE TOO . In Quran “ Allah YUHHIB ...” . Lov of mukminin is one of impt thing in ur belief whatever nationality, color, etc. Alah love Msulimin . This sAL MUWALAT . AL MAHABBAH – hw much loov increase . If someone is good to you is easy but if u giv salam, n she does not ans salam . or she does not like me ! or Msulimah maid worse than kafr maid ! – this is negating S1 . A revert said the muslim frd has prob after I revert – this is test of mahabbah . Emotion – ur lov attached to Allah . I lov Allah, I lov Msulimin. In Kaaba , some like topray with own grp. Or u do tawaf, they push u – test . DO NOT SHOUT esp I Kaaba – nvr mind – easy . let them do mistake – let alalh account them. If Msulim sinning – do I lov Them ? U lov them bUT HATE TEHIR SIN.

Ins Islam , do not lov someone – u lov their belef n hate the dsbleve. Test fro Allah
